

# Winter Activities

## Winter Camping

Camping is available in the parking lots near the day use area shelters. Potable water may be obtained at the office.

## Cross-country Skiing

The 17 km of cross-country ski trails are groomed for classical style skiing. Trails are not patrolled and skiers should be prepared for emergencies. A heated shelter is available at the trail head. Carry an emergency kit with an extra ski tip, cord, wire, pliers, a pocket knife, screw driver, screws and your cell phone.

## Ice Fishing

Moonshine Lake is stocked with trout and is aerated, so stay well back from open water. Open fires and vehicle use are not permitted on the ice.

## Ice Skating

The outdoor rink, located in the day use area, is lit for night skating and has a warm-up shelter.

## Snowshoeing

There are no formal snowshoe trails, so snowshoers are welcome to explore the park in the open or forested areas. Please do not snowshoe on cross-country ski trails.

## Snowmobiling

Snowmobiles may not be operated in the park or on the lake.

# Visitor Guidelines

Frostbite and hypothermia are real dangers in winter. Be sure you are prepared before you head outside. Dress in layers and wear a hat. Carry extra socks and a sweater. Please respect wildlife and other visitors by following these guidelines:

- keep your dog on a leash and off the ski track
- obey all signs
- use the firepits and stoves provided at shelters and picnic areas
- pack out all your garbage and leave no trace of your passing
- alcohol is not permitted.

When cross-country skiing:

- ski on the right, pass on the left
- step off the trail to the right when stopping
- downhill traffic has the right of way, and
- use caution when approaching steep slopes and bridges.

For information on winter conditions, especially after a heavy snow or severe weather, please contact the Alberta Parks office.
