

Vermilion campground map

Welcome to Vermilion Provincial Park.

We hope you enjoy the campgrounds and day use areas here in the park. Paved trails provide views of scenic levees, marshes and oxbow lakes in the Vermilion River valley, where you can walk, bike or roller blade.

Come back in the winter to try out the trails for cross-country skiing or just come to watch one of the many ski events.

Self-registration is in effect in the off-season.

The campground has 124 sites, 70 with power hookups, 6 with power and water, 19 with power, water, and sewage hookups. You'll also find shower facilities, playground and separate group use sites available by reservation only, for your group or family gatherings.

Fish in the Claude Brennan Trout Pond or try out the mini golf course in the park. Nearby, the town of Vermilion has a full golf course.
