

# Winter Activities

## Cross-country Skiing

There are 3 km of cross-country ski trails. The trails are not patrolled and skiers should be prepared for emergencies.

## Ice Fishing

Winagami Lake is a very popular place to fish for northern pike, walleye and whitefish.

## Snowshoeing

There are no formal snowshoe trails so snowshoers are welcome to explore the park in open or forested areas. Please do not snowshoe on cross-country ski trails.

# Visitor Guidelines

Frostbite and hypothermia are real dangers in winter. Be sure you are prepared before you head outside. Dress in layers and wear a hat. Carry extra socks and a sweater.

Please respect wildlife and other visitors by following these guidelines:

- keep your dog on a leash and off the ski track
- obey all signs
- use the fire pits and stoves provided at shelters and picnic areas
- pack out all your garbage and leave no trace of your passing
- alcohol is not permitted.

When cross-country skiing:

- ski on the right, pass on the left
- step off the trail to the right when stopping
- downhill traffic has the right of way
- use caution when approaching steep slopes and bridges.

For information on winter conditions, especially after a heavy snow or severe weather, please contact the Alberta Parks office.
