Winter Activities

Winter Camping
Camping is available in the parking lots near the day use area shelter.

Cross-country Skiing
There are 12.5 km of cross-country ski trails. The trails are not patrolled and skiers should be prepared for emergencies. We suggest you carry your cell phone and an emergency kit containing an extra ski tip, cord, wire, pliers, a pocket knife, screw driver and screws.

Ice Fishing
Ice fishing in Sturgeon Lake for burbot, lake whitefish, northern pike, walleye, and yellow perch.

Ice Skating
The outdoor rink, located in the day use area, is lit for night skating and has a warm-up shelter.

Snowshoeing
There are no formal trails so snowshoers are welcome to explore the park in open or forested areas. Please do not snowshoe on cross-country ski trails.

Snowmobiling
Snowmobiles are only allowed on the lake; staging is permitted from the boat launch parking lot. Snowmobiling is not permitted anywhere else in the park.

Visitor Guidelines

Frostbite and hypothermia are real dangers in winter. Be sure you are prepared before you head outside. Dress in layers and wear a hat. Carry extra socks and a sweater. Please respect wildlife and other visitors by following these guidelines:

- Keep your dog on a leash and off the ski track
- Obey all signs
- Use the firepits and stoves provided at shelters and picnic areas
- Pack out all your garbage and leave no trace of your passing
- Alcohol is not permitted.

When cross-country skiing:

- Ski on the right, pass on the left
- Step off the trail to the right when stopping
- Downhill traffic has the right of way, and
- Use caution when approaching steep slopes and bridges.

For information on winter conditions, especially after a heavy snow or severe weather, please contact the Alberta Parks office.
