Visitor Guidelines

Frostbite and hypothermia are real dangers in winter. Be sure you are prepared before you head outside. Dress in layers and wear a hat. Carry extra socks and a sweater.

Please respect wildlife and other visitors by following these guidelines:
• keep your dog on a leash and off the ski track
• obey all signs
• use the firepits and stoves provided at shelters and picnic areas
• pack out all your garbage and leave no trace of your passing
• alcohol is not permitted.

When cross-country skiing:
• ski on the right, pass on the left
• step off the trail to the right when stopping
• downhill traffic has the right of way, and
• use caution when approaching steep slopes and bridges.

For information on winter conditions, especially after heavy snow or severe weather, please contact the Grande Prairie Alberta Parks office.
