BRAZEAU CANYON WILDLAND PROVINCIAL PARK

FIRSTLY:

All those parcels or tracts of land, situate, lying and being in the partially surveyed forty-third (43) township, in the twentieth (20) range, west of the fifth (5) meridian, in the Province of Alberta, Canada, and being composed of:

Legal subdivisions fourteen (14), fifteen (15) and sixteen (16) of section thirty-four (34), all that portion of legal subdivision thirteen (13) of the said section thirty-four (34) lying generally to the east of the right bank of the Brazeau River, all those portions of the north east quarter of section fifteen (15), the east half of section twenty-two (22), section twenty-seven (27) and the south west quarter and legal subdivisions eleven (11) and twelve (12) of the said section thirty-four (34) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said right bank of the Brazeau River, all those portions of the south half and north west quarter of the said section twenty-seven (27), the east half of section thirty-three (33) and the west half of the said section thirty-four (34) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the left bank of the said Brazeau River and all that portion of the north half of the said section twenty-two (22) of the said township required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said left bank of the Brazeau River and lying to the north and west of the left bank of the Southesk River.

SECONDLY:

All those parcels or tracts of land, situate, lying and being in the partially surveyed forty-fourth (44) township, in the nineteenth (19) range, west of the fifth (5) meridian, in the Province of Alberta, Canada, and being composed of:

The west half of section nineteen (19), the south west quarter of section thirty (30), the north east quarter of section thirty-two (32), all those portions of the north east quarter and legal subdivisions seven (7) and eight (8) of the said section nineteen (19) and the south east quarter of the said section thirty (30) lying generally to the west of the right bank of Marshybank Creek, all that portion of the north west quarter of section twenty-nine (29) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said right bank of the Brazeau River and lying generally to the south and east of the said right bank of Marshybank Creek, all that portion of the said north west quarter of section twenty-nine (29) lying generally to the north and west of the said right bank of Marshybank Creek and to the south of the said right bank of the Brazeau River, all those portions of the said north west quarter of section twenty-nine (29) lying generally to the north of the said left bank of the Brazeau River, all those portions of the north west quarter of the said section thirty (30), the south east quarter of section thirty-one (31) and the south west quarter of the said section thirty-two (32) lying on both sides of the said Brazeau River, all those portions of the north east quarter of the said section thirty (30) lying on both sides of the said Brazeau River and to the north and west of the said right bank of Marshybank Creek, all those portions of the south west quarter of the said section thirty-one (31) lying generally to the south and east of the southeasterly limit of a forestry trunk road and on both sides of the said Brazeau River, all that portion of the north west quarter of the said section thirty-two (32) lying generally to the south and east of the southeasterly limit of the said forestry trunk road, all those portions of the north west quarter of section twenty-eight (28), the south east quarter of the said section thirty-two (32) and the north half and south west quarter of section thirty-three (33) lying generally to the north of the said left bank of the Brazeau River, all those portions of the said north west quarter of section twenty-eight (28), the north east quarter of the said section twenty-nine (29), the said south east quarter of section thirty-two (32), the said section thirty-three (33), the north half and south west quarter of section thirty-four (34) and the north west quarters of sections thirty-five (35) and thirty-six (36) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said right bank of the Brazeau River and all those portions of the said north half of section thirty-four (34) and the north west quarter of the said section thirty-five (35) of the said township required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said left bank of the Brazeau River.

THIRDLY:

All those parcels or tracts of land, situate, lying and being in the partially surveyed forty-fourth (44) township, in the twentieth (20) range, west of the fifth (5) meridian, in the Province of Alberta, Canada, and being composed of:

The north west quarter and legal subdivisions four (4), five (5) and six (6) of section two (2), the south east quarter of section three (3), the north half and south west quarter and legal subdivisions seven (7) and eight (8) of section eleven (11), legal subdivisions twelve (12), thirteen (13) and fourteen (14) of section thirteen (13), section fourteen (14), legal subdivisions three (3), six (6), nine (9) and ten (10), the east half of legal subdivision eleven (11), the south half of legal subdivision fifteen (15) and legal subdivision sixteen (16) of section twenty-one (21), the west half of section twenty-two (22), the east half of section twenty-three (23), section twenty-four (24), the south half of section twenty-five (25), the south east quarter, legal subdivision three (3), the south half of legal subdivision four (4) and the south east quarter and the east half of the north east quarter of legal subdivision six (6) of section twenty-seven (27), legal subdivision three (3) of section thirty-six (36), all those portions of the north half and south west quarter of the said section three (3), the south half and north east quarter of section ten (10) and the east half of section fifteen (15) lying generally to the south and east of the said right bank of the Brazeau River, all those portions of the said north half and south west quarter of section three (3), the east half of section four (4), the said section ten (10) and the south half of the said section fifteen (15) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said left bank of the Brazeau River, all that portion of the north east quarter of the said section fifteen (15) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of said left bank of the Brazeau River and lying generally to the south of the right bank of Thistle Creek, all that portion of the said north east quarter of section fifteen (15) lying generally to the north of the said right bank of Thistle Creek and to the west of the said left bank of the Brazeau River, all those portions of the north west quarter of the said section fifteen (15), the north east quarter and legal subdivisions eleven (11) and fourteen (14) of section sixteen (16) and the south east quarter of the said section twenty-one (21) lying generally to the north, east and west of the said right bank of Thistle Creek, all those portions of the east half of the said section twenty-two (22), the west half of the said section twenty-three (23), the north half of the said section twenty-five (25) and the south half and north east quarter of section twenty-six (26) lying on both sides of the said Brazeau River, all that portion of the north east quarter of section thirty-two (32) lying generally to the south and west of the southwesterly limit of the said forestry trunk road, all that portion of legal subdivision six (6) of the said section thirty-six (36) lying generally to the south and east of the southeasterly limit of the said forestry trunk road and all those portions of the south east quarter of the said section thirty-six (36) of the said township lying generally to the south of the southerly limit of the said forestry trunk road and on both sides of the said Brazeau River.

FOURTHLY:

All those parcels or tracts of land, situate, lying and being in the partially surveyed forty-fifth (45) township, in the nineteenth (19) range, west of the fifth (5) meridian, in the Province of Alberta, Canada, and being composed of:

Legal subdivisions five (5) and six (6) of section three (3), the south east quarter of section four (4), all those portions of the north west quarter of the said section three (3), the north half and south west quarter of the said section four (4) and the south half of section five (5) lying generally to the south and east of the southeasterly limit of the said forestry trunk road, all that portion of the south half of section one (1) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said right bank of the Brazeau River and lying generally to the south and west of the right bank of Canyon Creek, all that portion of the south half of section two (2) required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said right bank of the Brazeau River and all those portions of the west half and the west half of the east half of the said section one (1), the said section two (2) and the south east quarter of the said section three (3) of the said township required for a two hundred (200) metre wide strip of land equidistant and parallel to the sinuosities of the said left bank of the Brazeau River.

FIFTHLY:

All those parcels or tracts of land, situate, lying and being in the partially surveyed forty-fifth (45) township, in the twentieth (20) range, west of the fifth (5) meridian, in the Province of Alberta, Canada, and being composed of:

The east half of the east half of section six (6), legal subdivision one (1) of section seven (7) and all those portions of the south half and north west quarter of section five (5) and the south west quarter of section eight (8) of the said township lying generally to the south and west of the southwesterly limit of the said forestry trunk road.

SIXTHLY:

All those portions of the bed and shore of the said Brazeau River lying within the described lands.

The lands herein described contain five thousand thirty -nine and three hundred twenty thousandths (5,039.320) hectares (12,451.99 acres), more or less.
