

Marten River Campground, located at the north end of the park, offers both power and non-power campsites, a shower building with flush toilets, laundry and a sewage disposal station.

There is no boat launch in the park except for a hand launch, suitable only for boats that you can carry by hand from the parking area, approximately 125m.

Lily Creek and Marten River Group Use Areas

Available by reservation only.

These beautiful group use areas are ideal for family reunions and other special events.
