

NEW at Red Lodge Provincial Park

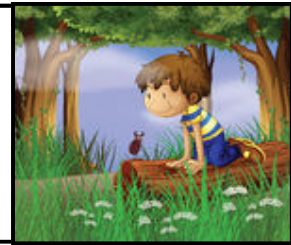

Family Discovery Packs

Take a walk with one of our three Family Discovery Packs!

These nature-themed backpacks contain all your family needs to start your own exploration of the park.

Insect Safari (\$2.00)

Grab your hat and hunt the park for “dragons, tigers and wolves!” The park is full of fantastic min-beasts—can you find them?

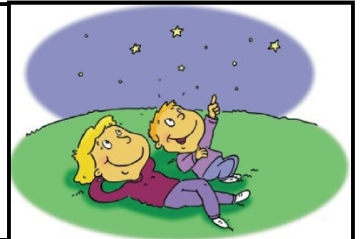

Bird Watching (\$2.00)

Cheese-burger...cheese-burger. You know the call but, can you spot the bird? Start your discovery of the park's feathered friends with this pack!

Astronomy (\$5.00 Overnight)

Explore the night sky from your own campsite! Search for constellations, star clusters and galaxies! Explore the surface of the moon or read a story about Mary Lou's new telescope.

Please note that a deposit (driver's license, ID, keys, etc.) is required during a pack rental.
Packs can be borrowed from the park office.
