♦ Parks & Protected Areas have been designated by Order-in-Council (OC) under the following legislation:
1. Provincial Park Act
2. Wilderness Areas, Ecological Reserves, Natural Areas and Heritage Rangelands Act
3. Willmore Wilderness Park Act

** Lands declared under the Provincial Parks (Section 7 Declaration) Regulation are lands that are not established as parks or recreation areas and are managed under the Provincial Parks Act. Section 7 is used to address interim management of lands that have been acquired for park purposes but are not yet designated; or where activities not permitted in a park are being managed until such time as the activity is completed and the lands can be designated.
https://albertaparks.ca/albertaparksca/management-land-use/legislation-regulations/

^ Land-use Framework commitments are a specific future site designation based on an approved Land-use Framework Regional Plan. https://landuse.alberta.ca/Pages/default.aspx

* A Crown Land Reservation (CLR) in the context of this map is a registered interest in crown land under the Public Lands Act for park/protected area purposes, to which conditions on industrial activity may apply. https://www.alberta.ca/land-use-reservation-program.aspx#

ᴥ A Public Land Use Zone (PLUZ) is an area of public land to which legislative controls apply under authority of the Public Land Administration Regulation to assist in the management of recreational land uses.
For specific public land use regulations, refer to https://www.alberta.ca/about-public-land-use-zones-regulations.aspx

◊ Due to scale restrictions, sites within Kananaskis Country are not labelled on the map.

For complete legal land descriptions and individual site maps, refer to the Alberta Parks, Land Reference Manual web page located at
http://albertaparks.ca/albertaparksca/library/land-reference-manual.aspx
