Alberta Parks Northeast is proud to present:

**Explorettes Adventure in Space and Time**

_Journey to the stars and planets learning about astronomy in our Starlab! Then go back in time and learn about the archeological finds in the Park! Includes:

- Experience our digital starlab and see stunning simulations of space!
- Create a starfinder and try rocket building
- Archeology! Hike with a real archeologist, see artifacts and imagine early life in Lac La Biche!

Recommended ages: 9-12  Cost: $20/session

For schedule, registration, and more information visit:
