

## Alberta Parks: Explorettes

Alberta Parks Northeast is proud to present:  
**Explorettes!**

A day long outdoor experience for girls! Explorettes seeks to inspire and empower girls through nature based learning, science, art, and creativity.

Park interpreters and special guests lead a fun filled day based on a different outdoor theme each date of the program at Sir Winston Churchill Provincial Park.

Recommended for girls ages 9-12.

## Explorettes: Schedule and Activities

Explorettes runs on four different dates during the summer at Sir Winston Churchill Provincial Park.

Each date has a different theme and activities; your explorette can pick the day or days that interest her! Each day includes provided lunch and each Explorette gets a T shirt!

### Explorettes Dive In!

Date: July 13, 2017

Cost: \$20

For water lovers! Learn all about our lake and get active paddleboarding! Includes:

-Seine netting to catch live fish

-Lake chemistry

-Fish printing art

-**Paddleboarding!** Lesson and guided experience with professional instructors.

### Explorettes Adventure in Space and Time!

Date: July 27th, 2017

Cost: \$20

Journey to the stars and planets learning about astronomy in our Starlab! Then go back in time and learn about the archeological finds in the Park! Includes:

-Experience our digital **starlab** and see stunning photos and simulations of space!

-Create a starfinder and try rocket building

-**Archeology!** Hike with a real archeologist, see artifacts and imagine early life in Lac La Biche!

### Explorettes Take Flight!

Date: August 10th, 2017

Cost: \$20

We'll flock together and learn all about some of the parks most exciting residents: birds! Includes:

-Hands on time with bird feathers, eggs and specimens

-Birding with a local expert!

-**Live owl and presentation!**

-Build a paper flying machine!

### Explorettes Get Lost and Found!

Date: August 24th, 2017

Cost: \$20

Get in touch with the wild side of nature! This day focuses on outdoor skills and the mammals of the park!

Includes:

-Use a GPS and go Geocaching  
-**Fire lighting and shelter building**

-Cast a track to take home!

-Get hands on with furs and skulls of local mammals

-Talk with women trained in Search and Rescue!

Listed are the featured activities of each day— we also have lots of other fun and games every time!
