

POST-SEASON REPORT

The information that you provide will help the managers of both Departments to monitor land uses and also provide information that can help us prevent user conflicts.

Please note that failure to adequately complete and submit your post-season reports will prevent the renewal of your permit.

Date: _____

1. Permit Number: _____

2. CTR Operating Name:

3. Name of Contact:

4. Mailing Address:

Street Address:

City/Town: _____ Postal Code:

Phone Number(s): _____ Fax:

INCIDENT REPORT

If any of the following occurred during the Operator's CTR operations on parks lands, please describe the incident(s) in the space below (note that if no incidents of these kinds occurred, this form may be left blank):

- injury or fatality to third parties, any client of the Operator, the Operator or their representatives;
- the death of any horse;
- involvement of or injury to wildlife, including all human wildlife conflicts;
- property damage to park lands or third party property;
- escaped fires of any origin;
- problem wildlife; or
- any enforcement situation that involved or required the attendance of a law enforcement officer
