ALBERTA'S PARKS AND PROTECTED AREAS

YOUR NATURAL ADVENTURE IN THE OUTDOORS COLOURING POSTER

What kind of places are these spaces? Beautiful places, outdoor places, happy faces places, interesting spaces places... Places to learn, places to explore, places to relax, but PLEAZZZZZE don't snore... Places to picnic, places to camp, places to swim, places to bike and when there's absolutely, positively nothing left to do... GO TAKE A HIKE! Places to tie your laces, places to bring your braces, places to leave no traces.

What ten things* would you NEVER see in Alberta's parks and protected areas?

*Answers to ten things that don't belong:
martian, flying horse, sasquatch, live dinosaur, and submarine in lake,
frog singing, bear skiing, sea serpent, moose in tree, whale in lake,
