Welcome

We hope you enjoy this quiet, family oriented campground in its beautiful sand dune setting. The sandy bottom lake is ideal for swimming, wading, or canoeing and the beach is great for castle building.

The campground has 83 sites, most with power hookups. You'll also find shower facilities, playground and several trails for hiking or mountain biking.

Wildlife watchers will appreciate the abundance of birds and other resident creatures. This park is internationally recognized as an Important Bird Area for migratory shorebirds.
